Resolve Firefighting Center**

- 1. Mike, I just want to say on behalf of the NJROTC students and myself who attended our field trip to your facility on 13 October a huge "Thank You"!**
- 2. The extra mile which you and your staff went to first open up the facility during your busy schedule and then give the students first hand simulated demonstrations was absolutely fantastic. The students loved it and tied in classroom lectures with actual hands on training. The amount of questions the kids generated in response to your presentation and demonstration is proof of how successful the day was for us.**
- 3. The enthusiasm you personally demonstrated and that of your staff from those who assisted you to Karen Anderson in helping arrange the field trip was nothing less than outstanding. You have a great facility and staff and the pride and professionalism was clearly evident for us. THANKS AGAIN FOR EVERYTHING!!!**
